

PRESS RELEASE

2023

The Legacy of Princess Diana

Recently throughout the international media, both Prince William and Prince Harry have been proactive about their mother's previous humanitarian work.

In mid-2021, both Prince Harry and Prince William unveiled a statue in memory of their mother Princess Diana.

In January 2022, a new movie depicting Princess Diana's life titled "**Spencer**" was released in cinemas internationally highlighting the real story behind the People's Princess.

As a consequence of these events, an International Film, Music and TV Production House based in Australia is seeking the support of International Philanthropists or International Companies that has the financial capabilities to help in highlighting the ongoing **Legacy of Princess Diana**.

The International Recording Artist and World Peace Ambassador who is behind the World's Largest World Peace and Humanitarian Project which is set to take place toward the later part of 2024 / 25 has put this project together which involves a nearly completed International Music Film Clip (**Yet to be Released**) which will highlight Princess Diana, a true humanitarian who supported and endorsed various charities during her lifetime.

The exposure being offered to the right global philanthropist or group will create worldwide positive publicity due to their generous contribution by endorsing the incredible work and sacrifices that Princess Diana endured in the interest of humanity.

The media exposure offered could be phenomenal due to their involvement in this humanitarian project.

We are searching for the right entity that will provide the licensing fee required for the finality of this timeless Music Film Clip!

The entity that is able to participate will undoubtedly become recognised in a multitude of different continents as a true humanitarian and supporter of the People's Princess!

This Multi-Million Dollar Music Film Clip and Song was produced by Aria Award Winner and International Record Producer and Recording Engineer Mr Peter Blyton, who produced the likes of Keith Urban, U2, INXs, Barbara Streisand, Elton John, The Choir Boys, Charles Dupois and so many other internationally acclaimed Recording Artists.

This production involved over 300 people, including Choirs, Orchestras and dozens of highly skilled production crew within the International Music, Film and Television industries, the best of the best was brought together to produce this timeless production

which was filmed on 16mm Film and produced and shot by the same group that were involved in the Internationally acclaimed feature film titled “**Gladiator**” starring Movie Star Russell Crowe.

We are delighted and privileged to also have Ms Freda Mitchell, International Top of the Charts Gospel Recording Artist as a World Peace Ambassador as well as her son Recording Artist and Host Errol Bullen.

Freda is also a personal friend of internationally acclaimed talk show host Ms Oprah Winfrey who we are sure will jump onto this amazing humanitarian initiative upon its International release!
